

Stain No. 1 and Stain No. 3A Color Reference Cards

Use these reference cards to help you determine fiber contents of multi-fiber fabric in Lab 1. Please note that colors may appear differently from original reference cards, depending on your computer monitor and/or printer.

Multi-fiber fabric and color reference cards courtesy SDLAtlas.

Professors: To obtain stains for Lab 1, contact SDLAtlas at www.sdlatlas.com or Test Fabrics at www.testfabrics.com.
